Background:

On July 13, 2010, a limited term Public Safety Dispatcher was terminated due to lack of funding. The terminated Dispatcher is fully trained and has worked for the Calexico Police Department for 6 months as a temporary part-time Dispatcher and later for one year full time as a limited term Dispatcher.

On July 14, 2010, the Police Department received the resignation of a six year full time Dispatcher. The resignation will be effective on July 24, 2010.

The Police Department requests permission from Council to rehire the terminated Dispatcher to fill the vacancy that will be left by the Dispatcher who is resigning. The rehiring of the trained limited term Dispatcher will be a salary savings of approximately \$6,500 difference between the two positions for the fiscal year. The Department also requests that the terminated Dispatcher be placed into the permanent position and no longer be designated as a "limited term" employee.
